

UNIVERSITY OF MAKATI

College of Computing and Information Sciences OPERSYS

Week 15 Activity

Scope: Memory Management (Paging) - 50 points

General Instructions/Requirements:

1. Explore/Watch the attached supplemental video in the uploaded PDF lecture notes for week 13-14.
2. Then answer the following questions below:
 - a. What are the two (2) types of fragmentation? Differentiate the two.
 - b. What are the differences of virtual and physical memory?
 - c. Differentiate page and frame.
 - d. Discuss the process of paging.

Note: This is a Group activity. Below is the corresponding rubric:

Rubrics for Essay			
	Excellent 5 pts.	Good 3 pts.	Approaching standards 2 pts.
Ideas and Content	What you are writing about is clear and well-expressed, including specific examples to demonstrate what you learned. Well done!	What you are writing about is clear. You answered the question. Some support may be lacking, or your sentences may be a bit awkward. Overall, a decent job.	You put thoughts into this, but there is no real evidence of learning. More specific information is needed or you need to follow the directions more closely.
Sentence Fluency	Sentences are complete and they connect to one another easily when they are read out loud. Your writing 'flows.'	Sentences are complete and able to be understood.	Some sentences are complete and easy to understand. Others require some work.
